LEOPARD PROFILE '67-'68

FOREWORD

The Belle Vernon Area Yearbook Staff proudly presents the 1967-1968 Leopard Profile. Within the covers of this book is buried a vital portion of the lives of our students at B.V.A.H.S.

B.V.A.H.S. means many things to many people. To some it may connote nothing more than an imposing structure of fine architecture or a place of higher learning. But we who have had the privilege of having personal contact with B.V.A.H.S. know that it is a concerned and dedicated faculty, an active yet sensitive student body, involved with the present, mindful of the past, and anxious about the future.

Being a high school student involves responsibilities ranging far beyond those of a scholastic nature. Every student is responsible for preserving traditions that have been inherited from former student bodies. Since B.V.A.H.S. has had no former student body, the privilege of forging new and unique traditions has rested in our hands alone. This past year, consciously or unconsciously, our student body has originated traditions that will become an innate part of each and every future student at B.V.A.H.S. Recaptured on the following pages are everlasting memories of these traditions along with highlights and sidelights of a wonderful year.

PRINCIPAL'S MESSAGE

A man of quality will wish to have his journey through life leave some traces. Each of you may wish to ask of yourself the question, "What will be the imprints of my life's journey at its end?"

To meet these challenges, each member of the Class of 1968 must be sincere in his desire to find meaning in life, - relevance, significance, and usefulness.

We, who have hopefully succeeded in guiding you, have played an important role in preparing you for your life's work.

The key of success, however, remains with you and its degree of accomplishments depends on your curiosity, courage, self-discipline, enthusiasm, and your willingness to give of yourself to your family, church, community, and country.

To the Class of 1968, I extend congratulations and best wishes.

SEASON SUMMARY

The Belle Vernon Area Leopards compiled a respectable 4-5-0 record in the "67" season. Head Coach Jimmy Russell, along with his assistants - Dick Fields, John Clark, Frank Zoretich, and Tom Banjor, molded a group of boys, into a working football machine.

The high point of the season was probably the fine battle that our Leps staged against the Monessen Greyhounds at the B.V.A. Stadium.

We, the student body, are proud of what this fine Leopard team accomplished through hard work and long hours of practice. Also, we would like to wish all future Leopard teams the very best of luck.

The B. V. A. H. S. basketball team once again represented our school well in the competition. The proof of this fine representation is the fine 13-9 record for the season.

Under the experienced coaching of Don Asmonga and his Jim Burns the Leopards showed its strength against every team it faced.

To this great team the students say thank you and the best of luck to the team of '69.

THE SEASON

The Belle Vernon Area Swimming Team, coached by Frank Munro and Dale Patterson, who proved to be an able assistant, finished the season with a 2-13 record. Our swimming team, in its 2nd year of competition, made a good showing against every team it met. A lack of experience and depth within the squad was the difference between a good season and a disappointing one.

In the Big 10 Championship Meet, the I. M. F. (Impossible Missions Force, as the swimming team was known), led by Co-captains George Wenick and Gordon Eland, managed to place 3rd. The outcome of this meet, composed of the Valley's top teams, certainly proved our team's AQUABILITY.

SEASON SUMMARY

After many successful seasons as coach of the Belle Vernon Area gymnastic team, John Demillion gave up the coaching reins to John Dallar this year and the Leopards responded with another winning season.

Five boys qualified to go to the W. P. I. G. L. Qualifier at Pitt field house: Bob Scholl, Greg Senich, John Jonotta, Ed Weisdak and Tom Bailey. Danny Warbutton continued to display his championship form as he took first place All-around and Bob Scholl followed with a second on the side horse in the tough competition at the A. A. U. meet.

B. V. A. owes much to not only these boys but to all the gymnasts who contributed in making this an exceptional season.

B. V. A. 'S ALMA MATER

Our Alma Mater, we'll be true to thee.

To valor and integrity we pledge our loyalty.

Hail, mighty Leopards, our hearts remain

In steadfast love for gold and white,

Our memories not in vain.

EPILOGUE

We, the 1967-1968 yearbook staff sincerely hope that we have provided a lasting remembrance of the past year at B.V.A.H.S. Along with providing memories, we truly hope that we have succeeded in retaining the spirit of B.V.A.H.S., that undefinable air, that will, in future years and in future tears, enable one to remember and perhaps temporarily relive his days at B.V.A.H.S.
